## Home Game Canteen

Your assistance in the canteen is vital for the continued success of our club. When your team is drawn to play in Yass, the canteen will operate and each team will be rostered on to assist in providing this service. The canteen is an integral part of the operations of the Yass Football Club as we do not fundraise in other ways. Please assist when your team is rostered on.

## Cancelled Games

Either the Yass Council or a Yass Football Club Committee member makes the decision on closure of the Yass home ground at Walker Park. An announcement will be made on Yass FM 100.3 & Canberra MIX 106.3 & 104.7 on Saturday mornings should the home games be called off.

It should be noted that the appointed Referee for the game holds the final decision on any ground conditions. The referee has the right to cancel the game should he/she deem that the grounds have further deteriorated and become unfit to play on. The Referee's decision will always be respected regardless of the clubs or individual's personal feelings.

We look forward to seeing you at training and the games, have an enjoyable season.

Yours sincerely
