Club Profile

Good Sports is an evidence-based program that relies on the feedback of participating clubs to enable the program to measure its effectiveness and the overall impact of changing alcohol management practices in sporting clubs. The club profile helps guide our support to maximise benefits for your club and is critical in allowing the program to innovate and make program delivery improvements.

Information that is supplied by the club is stored confidentially in accordance with the Privacy Amendment (Enhancing Privacy Protection) Act 2012 and *Good Sports* will not use or disclose any personal information received by it from the club for any other purpose, without the club's prior consent.
